

Frequently Asked Questions

More than a destination. A place to belong.

DO I NEED SPANISH?

No. The entire MD program is taught in English, and you can live and study comfortably in Guadalajara without speaking Spanish.

CAN I RECEIVE FEDERAL LOANS?

Yes. UAG is Title IV eligible, which means you may qualify for U.S. Federal Loans to help fund your education.

WHEN DO CLASSES START?

We offer two intakes each year: January and July.

WHERE ARE ROTATIONS?

Rotations are completed in teaching hospitals across the U.S., Puerto Rico, and Mexico through our strong network of affiliations.

CAN I PRACTICE IN THE U.S.?

Yes. Our curriculum is designed to meet U.S. standards and prepares you for the USMLE and licensure.

HOW DOES RESIDENCY ADVISING WORK?

You'll work with our Graduate Affairs & Career Advising Office from day one for personalized guidance through residency placement.

HOW EARLY DO I SEE PATIENTS?

You'll begin hands-on clinical experiences early in the program through our Clinical Skills and Simulation Centers.
